C. No. Misc/68/2017-VII/223

Dated: 19 -03-2026

**VALUATION RULING NO. 2056 / 2026**

1. This Ruling shall be applicable until the same is rescinded or revised in terms of sub-section (4) of Section 25A of the Customs Act, 1969.
2. The revision petition against this Valuation Ruling can be filed under Section 25D of the Customs Act, 1969, within 30 days before the Director General, Customs Valuation.

Subject: **DETERMINATION OF CUSTOMS VALUE OF LED BULB PARTS & LED LIGHT PARTS UNDER SECTION 25A OF THE CUSTOMS ACT, 1969.**

1.	Valuation Ruling:	This Ruling supersedes earlier Publication Valuation Ruling No. 48/2024 dated 10.06.2024.
2.	Date of meeting with stakeholders:	The meeting with the relevant stakeholders was held on 15.01.2026.

**Background of the Issue:** Representations from the importers were received for determination of customs values in accordance with prevailing international price trends of the subject goods. Therefore, a preliminary analysis of import data, declared values, assessed values and market prices was undertaken for determination of customs values of the subject goods under Section 25A of the Customs Act, 1969.

**2. Analysis to determine Customs Values:** Meeting for determination of customs values was held on the aforementioned date, which was attended by the relevant stakeholders. The viewpoints of the participants were heard in detail and the stakeholders were requested to submit documentary evidence to substantiate their contentions.

For determination of customs values of the subject goods, ninety (90) days' import data was retrieved and thoroughly scrutinized in light of the information received from stakeholders. Subsequently, market enquiries, as envisaged under sub-section (7) of Section 25 of the Customs Act, 1969, were conducted and examined in accordance with this Directorate's Office Order No. 17/2014 dated 19.03.2014.

**3. Method(s) adopted to determine Customs values:** Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to absence of information as required under sub-section (2) of Section 25 of Customs Act, 1969. Therefore, identical goods value method provided in Section 25(5) and 25(6) were also examined for applicability to determine Customs values of subject goods. However, it was found that the same could not be relied upon due to absence of absolute demonstrable evidence of quantities and qualities. Moreover, Declared Values (DV) of similar goods showed consistent variations. Hence, this method was also found inapplicable. Thereafter, market enquiry as envisaged under Sub section (7) of Section 25 of the Customs Act, 1969 was conducted and examined in accordance with this Directorate's Office Order No.

17/2014 dated 19.03.2014. Finally, the Customs values of the subject goods have been determined under Section 25(7) of the Customs Act, 1969.
